CHAIRMAN MESSAGE

ON TOP Security has been on quest to deliver exceptional solutions to a wide variety of business in the UAE. From our early roots, we have seen sustained growth and long term success. Our rapid expansion reflects our leadership and dedication, offering great security solutions and great customer service.

The safety and security of our customers, communities, and assets is our first focus. We work hard to exhibit excellence by maintaining the greatest degree of security and constantly providing quality solutions for our clients.

Our service breadth and quality are unparalleled in the UAE, and our track record of successful deployment for our clients is unequalled. We take pride in being professional, dependable, and capable of providing excellent customer care to all our

ABOUT US

ON TOP Security offers proactive security services to a diverse range of clients in the UAE across a multitude of sectors and customer groups. ON TOP Security has built up a reputation in the UAE as a trustworthy provider of security services. We are a dynamic and inventive security firm dedicated to offering clients and business partners' special security services. Our clientele comes from a wide range of industries, including significant corporations, governments, schools, shopping centers, and households, as well as Property Management, Hotels, Recreation, Learning Centers, and others.

We offer high quality services that are customized to our customers' needs and demands. ON TOP is the market's Total Security Service Provider for all security-related services. Since security is a complex business, it is even more crucial for a corporation to fully commit and aimed at providing nothing but the best. ON TOP remains committed to ongoing improvement and providing a high degree of client satisfaction. ON TOP has redefined delivery standards and client service differences.

We believe that a company's security is critical to its success and longevity. We spend our knowledge and skills educating our guards (throughout) to ensure they are informed and driven to do a good job. Within our organization, we promote personal development. With our services, your company, facility, or household will receive a competent, dependable, and lucrative service that will exceed your hopes. All of our Security Guards are well-groomed and intelligent, making them a valuable addition to any firm. They are highly motivated, well-trained, and licensed, and will try their utmost to give you and your organization great services.

WHY CHOOSE US

We are passionate about security and safety, this is why we stand behind the value of our services and avoid compromise in safety of lives and property. We don't just provide people with security but we also make it a point that we teach them about safety.

VISION

To be the industry's most trusted professional security solution provider by exceeding customers' expectations. We want to be known as a regional commercial security integration leader and an industry specialist firm devoted to the region's strategic stability and prosperity.

MISSION

We strive to constantly deliver high-quality services while maintaining the greatest levels of professionalism and integrity ourselves. We are committed customers. We intend to expand further in collaboration with our clients and shareholders.

VIP SERVICES

For over a decade, ON TOP Security has gained several high-profile clients. Our close protection services are designed to ensure the personal safety of high-profile people or public figures around the clock. Our body- guards are trained and certified to work in high-risk and complex circumstances, and they specialize in the security of diplomats and business customers

CCTV MONITORING

ON TOP security provides CCTV operators to surveillance your business or residential property. We are among the few CCTV security firms in Dubai that can not only supply CCTV operators but also outfit your facility with cutting-edge CCTV security camera systems.

MANNED GUARDING

All of our security guards have the ability to deter shoplifters, work front desks at corporate buildings, conduct crowd control at events, monitor CCTV footage, and even patrol parking lots. They serve as a visible barrier to theft, preventing water and fire damage, and stopping violence in all of your properties. Our guards Allow your people, whether customers, workers, or the general public, to feel safe no matter where they are, assess your property and make recommendations to reduce your risk of theft, accidents, or other illegal activities, also Act as a visible deterrent to crime, Patrol the property to prevent trespassing and vandalism, Monitoring CCTV cameras, gates, and entrances, as well as testing alarm systems, to ensure compliance with business-mandated security rules and Assist with the general administration of the region.

EVENT SECURITY SOLUTIONS

ON TOP security takes great satisfaction in giving the best Event Security in Dubai, UAE. ON TOP Security experienced, licensed event security guards are completely trained to handle all of your event security needs, so you can rely on them to ensure that your event goes smoothly and securely. From the very first security details to the final wrap-up, our event security guards will be present from start to finish to ensure your event is secure.

LIFEGUARD SERVICES

ON TOP Security offers professional lifeguard services in Dubai, UAE. We have been offering aquatic safety and employed for long- or short-term contracts offering aquatic services for hotel pools and events ranging from triathlons, ocean swims, film shoots, and private pool parties.

SECURITY CHAUFFERS

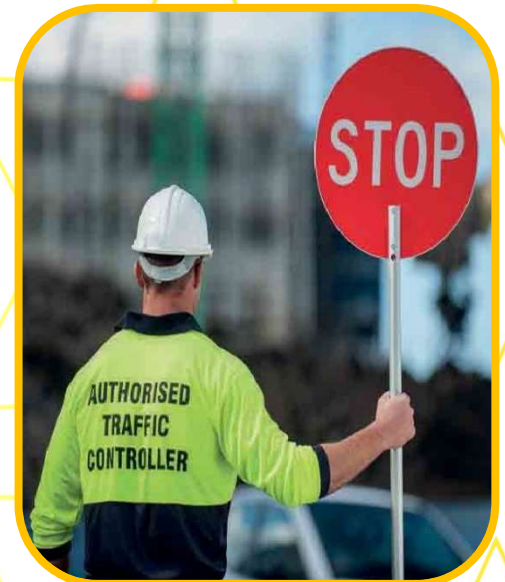

ON TOP Security provides the most trained and experienced security chauffeurs in Dubai, UAE, whether you require a covert security presence in Dubai or any other city in the UAE. They have sophisticated driving and close protection skills, so they can keep you safe. They can identify and avoid aggressive activity on the road, anticipate circumstances, and prevent occurrences that endanger their customers. Our security chauffeurs have the knowledge and skills to assure passenger safety even while arriving or departing from a site.

TRAFFIC MANAGEMENT

We provide traffic marshal services in Dubai to ensure the safety of automobiles and foot traffic on the client's site as well as the general public, such as around construction sites or during special events. Our traffic marshals employ appropriate hand signals and equipment to control traffic, coordinate movements, and communicate with staff through radios. They help the customer provide the proper health and safety requirements for the location. They help and instruct delivery drivers in safely reversing and unloading their vehicles.

SECURITY CONSULTATION

As security and protection specialists, we can provide consulting on both theoretical and practical elements of safety and protection. We will design a curriculum to meet your specific objectives, whether it is to raise safety awareness in the office, at home, or to teach in-house security staff. ON TOP security professionals have extensive expertise in resolving labor issues. They are educated to reduce threats to the safety of workers and facilities, equipment, and corporate reputation, as well as to assure the continuity of key and crucial functions in the organization's operations.
